

# *Kaye's Park 1873-1900*

*Step back in time with our new Kaye's Park Exhibit. This premier, "all inclusive" resort on the south shore of Geneva Lake was way ahead of it's time and put Geneva Lake on the map for vacationers.*

*This beautiful parcel was once a Potawatomi camp, then Kaye's Park, followed by Northwestern Military and Naval Academy and now the South Shore Club.*
