***Please note: Programs are Subject to Change***

**March**

- 6th **Birkebeiner Cross Country Race:** Journalist Sandra Machaj returns to tell us all about the Nation's largest cross-country event that originated in Norway in 1206.
- 13th **Veteran's Museum of Elkhorn:** James Boardman will speak about the Veterans Museum and its expansion.
- 20th **Iroquois Theater Fire of 1903:** Master of Disaster Bob McCormick returns to tell about this epic Chicago tragedy.
- 27th **History of Inspiration Ministries:** Director David Dryer will tell the story of this Williams Bay, faith-based residential provider dedicated to serving adults with disabilities since 1948.

**April**

- 3rd **Frank Lloyd Wright and The Geneva Hotel:** Join author Frank Landi as he discusses architect Frank Lloyd Wright and the gone but not forgotten Geneva Hotel.
- 10th **History of the Lake Geneva Yacht Club:** Sailor Don Holst will speak about the Yacht Club and many of the beautiful boats that graced our lake.
- 17th **To Sleep With the Angels:** Helen Brandt tells the harrowing tale of the fire that destroyed Chicago's Our Lady of Angels Elementary School on December 1, 1958.
- 24th **The Great House, Secrets and Sonette:** "Before Abelardo's murder, he gave me everything..." With this sentence, Sonette begins to describe her life of unparalleled mystery, adventure, and beauty, starting in 1963 as the fiancée of the wealthy and admired Abelardo, and then, as Abelardo's widow. This is the sequel to "The Great House of Raul Rodriguez".

## May

- 1st **Columbian Exposition 125th Anniversary:** Author Carol McLernon presents her newest Book, Treasured Memories.
- 8th **To Be Announced**
- 15th **Lake Geneva's "Dollar Princess":** The story of Mary Leiter Curzon, Vicereine of India, the highest ranking royalty from the United States. Presented by Pat Cramer.
- 22nd **Revitalizing Fontana Boulevard:** Wally and Kathie Perkins along with Lake Geneva Architects share their plans to replace two buildings using a combination of commercial and residential space.
- 29th **The World's Largest Tube Thermometer (Right here in Lake Geneva!):** Local Historian Sonja Akright returns to tell of Cheney Corporation's World's Largest Thermometer that graced Lake Geneva's Main Street in the 50's and 60's. *Do you remember it?*
